Adds a clause to section (4) of Rule 325 of the Mysore Jail Manual and sanctions, as a special case, the appointment of the 18 convicts named

fice of the Inspector-General of Prison
in Mysore,
Dated, Bangalore 22nd December 1926.

From

The Inspector-General of Prisons Pro 18-53-21
in Mysore, Bangalore.

The General Secretary to the Government of
Mysore, Bangalore.

Sir,

In forwarding herewith copy of letter No.2022/F.121 dated 26th November 1926 from the Superintendent, Bangalore Central Jail, together with its enclosure in original, I have the honor to state Rule 325 of the Mysore Jail Manual can only be operated by me subject to certain conditions the most important of which is note 4 under the said rule viz. " that no convict should be appointed as a convict officer unless and until he has served out one half of his sentence " As none of the convicts in the list submitted by the Superintendent fulfils the said condition, they cannot be appointed as convict officers under the authority of the above said rule; But as the Superintendent reports that the appointment of these prisoners as convict officers is very necessary as there is none to do the duty of convict ward guards inside the Jail and be responsible for the due performance of work; I request that sanction of Government may kindly be obtained as a special case for appointing the convicts recommended by the Superintendent, as Convict Warder Guards in the Jail.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

Letter No. 2022/F.121 dated 26th November 1926, from the Superintendent, Central Jail, Bangalore, to the Inspector-General of Prisons in Mysore.

With reference to correspondence ending with your No.1450/93-25 dated 25-11-1926, according sanction for the appointment of 16 life-term convicts as temporary Convict Warder Guards in this Jail, I have the honor to intimate that owing to releases and reductions on account of breeches of prison rules since then, there are at present 18 vacancies in that grade and there are no senior convicts fully eligible to fill them up. I therefore submit herewith a further list in the prescribed form of convict work overseers who most nearly comply with the conditions prescribed for the appointment to that grade and request that early sanction may be accorded to.
